Raising Readers

- 1. Get a library card and use it.**
A Chicago Public Library card is free.
- 2. Read aloud with a child for twenty minutes a day.**
If you read aloud to a child for twenty minutes a day, starting from birth, that child will start school ready to read.
- 3. Have books in your home.**
If a child sees books at home, the value of books and reading is reinforced. How to do this for no cost? See point #1.
- 4. Get caught in the act of reading.**
Children watch and model what the adults in their life do. If they see you reading, they are more likely to become lifelong readers.

—Chicago Public Library

The goal is for each CPS student to read at least 25 books each year.

The books in this list can be found at many neighborhood branches of the Chicago Public Library. Any book by the same author may be substituted for a book on the list. For additional information, please call your neighborhood Chicago Public Library branch, or check the online catalog at their website (www.chicagopubliclibrary.org)
